STATEMENTS

Introduction
This handbook is prepared to familiarize you with the policies, programs, procedures and regulations of Sacred Heart School. It is the hope of the faculty and the School Council that this handbook can help foster a partnership between the parents and the professional staff.

Mission Statement
The mission of Sacred Heart School is to prepare minds for tomorrow and souls for eternity.

Philosophy
Education is the harmonious development of all the powers and capabilities of the body, mind and soul. This includes spiritual, moral, mental, physical, social, and emotional areas. We, as educators, must aim to develop the whole child for the formation of a complete person; we must direct him/her to make the present life a preparation for the future life.

As teachers, we recognize that each child is an individual; each one has different talents and a distinctive personality; each one is a child of God. We must not only realize this; we must inspire in the child a realization of his/her own dignity, ability, and responsibility.

A child can do wonderful things, and we can bring out potential by helping him/her develop proper attitudes and relationships in prayer life, school life, home life, community life and social life. The intellectual life of our school is of paramount importance. It is our duty to develop in the pupil those areas of knowledge, skills, interest, powers and ideals which will enable them to develop the utmost their native mental abilities as well as those of every aspect of their being.

Emergency Preparedness Drills
Fire, tornado, and crisis management drills are held annually per state requirements. Crisis Management and Response procedures have been adopted and are posted in classrooms. Review these procedures with students on the first day of the school year.

IDEA
Sacred Heart School follows the guideline of IDEA, the Individuals with Disabilities Education Act, by providing education for all children in the least restrictive environment.

GENERAL INFORMATION

Registration and Admissions
In compliance with federal regulations, no individual, on the basis of race, color, national origin, sex, or age, may be excluded from admission to or participate in; denied employment or the benefits of; or be subjected to any discrimination under the programs and activities of the Catholic Schools of the Diocese of Salina. In accordance with Diocesan guidelines, any child regardless of religious affiliation, desiring to be enrolled at Sacred Heart School, shall be admitted according to the school’s capacity for additional enrollees. Students are required to have the proper immunization. No parishioner’s child whose parents desire to enroll them in Sacred Heart School will be denied admission for financial reasons.

Children enrolled at Sacred Heart preschool must be three years old before September 1st and potty trained. We realize that “accidents” will happen. “Accidents” by definition are unusual incidents and should only happen infrequently.

- Potty-trained preschool children:
  - No longer wear diaper or disposable underwear (pull-ups)
  - Can tell the teacher when they need to go to the bathroom
  - Can attend to their hygiene on their own. This includes wiping. Staff does not wipe children.

Children must be five years of age as of September 1 of the present school year to be eligible for enrollment in the kindergarten class. Children must be six years of age as of September 1 of the present school year to be eligible for the first grade or have attended one year of kindergarten in another school system. Proof of age must be given by their birth certificate. Children enrolling in Sacred Heart Parish School for the first time must also provide a birth certificate.

School Tuition & Fees:
The only parishioner school fee for Kindergarten through 5th grade is the registration fee. We prayerfully hope all parishioners with students in K-5 remember that their tithing is their tuition, and is what keeps our school preparing minds for tomorrow and souls for eternity.

- **Pre-school for 3 year olds:** There is a monthly charge of $35.00 for one session per week or $70 for two sessions per week from September through May.
- **Pre-school for 4 year olds:** There is a monthly charge of $70.00 for two sessions per week or $95 for three sessions per week from September through May.
- **Parishioners:** Kindergarten, Grades 1, 2, 3, 4, 5: Registration fee of $100.00

There will be a $30 (thirty) charge for all returned checks.

Sacred Heart School provides all textbooks and consumable workbooks for each child as
needed. This registration fee partially covers the cost of all books, test, and supplies. All children are responsible for the books that have been assigned to them. Any lost or damage to the books must be paid by the student.

**Daily Schedule**
Classes begin at **7:55 a.m.**
When children arrive, they are to go to the gym.

Children who are late for school must report to the office.

All students will be dismissed at 3:30 p.m. Children should leave the school grounds immediately after dismissal. We ask that all vehicles dropping off and picking up students please face east on 6th street and do not leave vehicles unattended. If you are getting out of your vehicle please do not park facing east on 6th street.

Four-year-old preschool is held two or three times per week from 8:00 a.m. until 11:00 a.m. or from 12:30 p.m. until 3:30 p.m. Three-year-old preschool is held once or twice a week from 8:00 a.m. until 11:00 a.m. or 12:30 p.m. until 3:30 p.m. The days of the week will be determined by enrollment needs.

To aid in the formation of the student’s prayer life, Mass is held for K-5 students, parishioners and parents two days a week at 8:15 a.m. Each class will take turns preparing and carrying out the various ministries of reading, song leading, serving, etc.

**Attendance**
Compulsory attendance in Kansas is a statutory requirement for children between 7 and 16 years of age. Students are therefore expected to be on time to school and classes. If a student arrives late to school, the student is to report to the office before proceeding to the classroom. (This is primarily for lunch count purposes.)

If a student comes to school after attendance has been turned in or goes home during the day, the student should go through the office. A student will be counted tardy prior to 10:00 a.m. A student who comes in after 10:00 a.m. and before 1:30 p.m. will be counted one-half day absent. A student arriving after 1:30 p.m. will be counted absent a full day. A student who leaves after 2:30 p.m. will not be counted absent. Students will be considered one of the following: Present a full day, absent a full day, absent a half-day, or tardy.

When students are ill or unable to attend school, parents or guardians are asked to call the office by 8:30 a.m. with the reason for the absence. If no one contacts the school about a child’s absence, the school may, upon discretion, investigate the cause of the absence. Chronic cases of absence or other unexcused absences will be handled in accordance with the truancy laws of Kansas, KSA 72-1113 that declares:
“Whenever a child is required by law to attend school and such child is inexcusably absent there from on either three (3) consecutive days or five (5) or more days in any semester, such child is truant. A child is inexcusable absent from school without a valid excuse acceptable to the school employee designated by the school council to have responsibility for the school attendance of such child.”

Students in grades K-5 will be given three excused tardies during a semester. The fourth and subsequent tardies will be considered unexcused. Parents will be contacted to address the problem.

At Sacred Heart the principal, or his/her designee, is the person responsible for reporting absences and truancy cases to the probate judge and the truancy officer.

**Bus Permits and Transportation**

Sacred Heart School is furnished country bus transportation by the Colby USD #315 bus system. Occasionally a child wishes to ride a school bus with a friend. A child who does not regularly ride a bus or wishes to ride a different bus must have a note or phone call from the parent before a bus permit will be issued. The request is granted provided there is room on the bus. Bus permits are issued in the school office.

The bus system strives to get the students to their proper destination when possible, and when it is safe and practical to do so. Their main concern, of course, is for the safety and well being of the students transported. There are times, due to either adverse weather or road conditions, or both, that it is not possible, safe or advisable to try to operate buses on some of the roads in the district. Conditions can also, and many times do, change from morning to evening or vice versa. Therefore, decisions as to the advisability to sending buses must at times be made twice daily. Hasty or last minute decisions as to school bus operations will be avoided whenever possible, but a sudden blizzard or storm could cause a change in operations very quickly.

Announcements will be made over local radio and television stations, school website, and through text alerts for those who sign up for them. *The following policy will be in effect if an emergency makes it necessary to keep the buses in town on the evening trips.*

1. All students who live outside the city limits of Colby will be delivered to the addresses as noted on their **Bus Pupil’s Data Card** within the city limits of Colby. Buses will not run the rural routes the following morning. Students will be picked up at their city addresses.

**EXCEPTION:**

1. If buses are kept in town on a Friday p.m., the buses will run on the following Monday a.m. if conditions permit regular rural routes.
2. All students from the same family must have one delivery address. They will be delivered to this address in their own regular bus; they will not be taken to any other place other than the address on their **Bus Pupil’s Data Card**.

3. If parents wish to pick their children up at school, this information should be included on the **Bus Pupil’s Data Card** so they may be kept at school until called for.
4. If you have any questions, please call the **Director of Transportation at 460-5020**.

**Bus Rules**

The Public School System offers their bus services as a gesture of goodwill. With assistance from the School Council, the following discipline plan will be administered. The first offense: students will be warned and parents notified. Second offense: students will lose bus privileges for a week and parents will be notified. Third offense: students will lose bus privileges for the rest of the school year.
